Vasa Day Camp is open to all children, but we must limit it to 50 campers. In the morning, campers rotate through four 40-minute stations of organized activities in crafts, drama, Scandinavian dance, and Swedish language. Afternoons are devoted to counselor-led games and supervised swimming. Certified lifeguards are on duty every day. Campers are placed by age/grade level in groups with at least two counselors rotating with the group. Our teen counselors are former campers.
